Child Sick? Please call 664-5844 and let us know. October 2016

Mr. K's Corner:

Dear Parent/Guardian,

What a great start to the school year! I am so proud of our students being **Respectful, On task** and **attentive, Always Safe,** and **Responsible.** Keep showing your Borah Pride students.

Parents there are many ways to get involved at Borah Elementary. We would love to have you volunteer some time in your child's classroom. If you have an hour or two available each week please see how your child's teacher can use you in the classroom.

With the changing of the weather, please be sure to send students to school with proper outside attire—coats, boots, gloves, hats, etc. We have a limited number of children's coats. If you need one, please talk to Mr. Foote.

Halloween Parade

Friday, October 28th
9:30 a.m.

Take the Fruit and Veggie Challenge

We all know that adding fruits and vegetables to our diet is one of the best things we can do for our health. Why not have some fun while encouraging your family to pack more of these powerful foods into your day. This month we challenge you to bring home a new fruit or vegetable each time you go to the store. Research your choice online to learn where it comes from, how it grows, what awesome nutritional benefits it provides, as well as to find a recipe to try it with the family. Prepare and enjoy it together. Talk about its flavors and textures. You may have found a new favorite that you will continue to choose in the future, or you might continue trying an item with different recipes as you learn the ways you enjoy it. We serve delicious fruits and vegetables each day in our school meal program. Encourage your child to try different items at school too! For more on healthy eating, go to the Nutrition Services department page at www.cdaschools.org.
